

## CREATIVITY

### Using your imagination

#### Tips

Be original.

Think about your real country (name, currency, national sport, etc.). Then think about how to change them for your new country.

Don't choose the first idea. Think about other options too.

#### Key phrases

*What's a good name/flag/national sport?*

*I like that/your/Sara's idea.*

*What about (Calobia)?*

*That's a good idea!*

*That's great!*

*No, that's not very original.*

## CRITICAL THINKING

- Remember** Look at the texts.  
Find one thing which is similar to life in your country and one thing which is different.
- Evaluate** To be happy, what things do you think are important? Order the words:

education family free time food  
health money people the weather

## COLLABORATION

### Working well together

#### Tips

Listen to your partner's ideas.

Decide together.

Share the work.

#### Key phrases

*What do you think about ... ?*

*OK, I agree.*

*That's a good idea.*

*No, but what about ... ?*

*I've got the photos.*

*Let's do it this way.*

*OK, I can type the text.*
